ARBITALWOMEN ACTIVITIES AT A GLANCE

ArbitralWomen enjoys a global presence in dispute resolution

- **Networking & Events**: we encourage our members to participate in and organise networking events in their respective countries and we assist them in doing so. Some of our regular events are informal, such as the SpeedNet events; others are more formal, such as Gala Dinners, conferences and breakfast panels. Firms and organisations wishing to co-organise events or have their events supported can contact us at events@arbitralwomen.org.

- **Increasing equality of representation at conferences**: some of our work involves encouraging conference organisers to increase equality of representation on speaking panels. Under-representation is often unintentional. We recommend or nominate women who are as experienced and reputable as men, if not more so.

- **Young ArbitralWomen Practitioners (YAWP)**: inclusion, collaboration and knowledge-sharing are vital for bridging generational gap in dispute resolution. YAWP provides a forum in which young women practitioners can share experiences and practical advice on how to advance women’s careers and accelerate their success.

- **Members Directory**: one of our goals is to showcase our members by increasing their visibility in the dispute resolution community. This is the objective of the Members Directory webpage which is increasingly used as a reference tool for appointments and referrals.

- **Find a Practitioner**: we provide a dedicated multi-search tool to find dispute resolution practitioners and speakers.

- **Mentorship**: members provide mutual beneficial support to each other through our mentoring programmes. These very successful programmes are examples of how more experienced members generously share experiences with other members so that the role of women in the field can continue to grow and strengthen.

- **Moot Competition Support**: we provide financial aid to support and promote the participation in moot competitions of law student teams consisting of at least 50% women, who might otherwise not be able to participate.
✓ **Publications**: we provide opportunities to enable our members to make valuable contributions to the publication of reports in our Newsletter, on our News webpage, and on the Kluwer Arbitration Blog, as well as in special publications such as the TDM Special Issues. Members can also upload their articles onto their profiles on the website and publicise matters of interest, expertise and skill.

✓ **Periodic Alerts**: we keep our membership informed of Events and News in dispute resolution through periodic alerts.

✓ **Cooperation**: we cooperate with kindred organisations and programmes, such as the Pledge for Equal Representation in Arbitration [www.arbitrationpledge.com](http://www.arbitrationpledge.com) and the Global Pound Conference [www.globalpound.org](http://www.globalpound.org). Firms and organisations that wish to co-partner or cooperate with ArbitralWomen can write to contact@arbitralwomen.org.

✓ **Projects**: since promotion of women in dispute resolution is our primary underlying goal, we are committed to assisting members with projects that are in line with our objectives.

✓ **Gender Equality and Diversity**: we contribute to raising awareness about and promoting gender equality and diversity in a variety of ways.
